connection with the above-identified patent application. A copy of the cited references are enclosed herewith.

The reference includes a copy of U.S. Patent No. 6,045,821 and related International Search Report dated June 8, 2004.

Certification Under C.F.R. § 1.97(e)(2)

No item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the statement after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

Certification Under 37 C.F.R. § 1.704(d)

Each item contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart application and was not received by any person designated in § 1.56(c) more than thirty days prior to the filing of the information disclosure statement.

No representation is made that the cited art is the only art or that the cited art represents the best art.

The Examiner is urged to consider all of the cited documents and to make an independent evaluation of the teachings and materiality of each.

Applicants believe that no fee is due, however, if any additional fee is required to complete this communication, please charge Deposit Account No. 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
